SUPPORTS ALL KINDS OF COLLABORATION

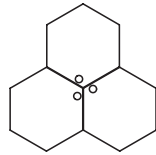

- Complete series containing tables, storage units and stools.
- The series supports collaboration and project-based work in all environments – at the office, in school, in the lounge and at conferences.
- The hexagonal shape means that all modules can be easily combined in new constellations.
- Smart mobility – tables and storage units on castors and lightweight stools make it easy to move your furniture.
- Storage units of varying heights facilitate both sitting and standing work.
- The tables can be equipped with electrical sockets for charging electronics.
- Mix and match stool upholstery with textiles from Kinnarps Colour Studio. The upholstery comes with or without a button.

TABLES

The hexagonal tables can be combined in a number of constellations, from small groups to long tables.
